

Manual

LIVE Presentation (Kundenmodul.exe)

02.03.2016

We offer you the possibility to integrate you directly into the designing process. With our tool we can show you the designing of your article directly on your monitor screen. For more details please contact our sales department. Thank you.

Manual:

1. Please execute **Kundenmodul.exe** (directly from our G&G Homepage possible)
=> After a short time, the following messages will appear on your screen:

Please click execute in both dialogues.

=> Now the presentation module starts:

ID & Password have to be advised to our sales department.

2. For finishing please click the lower right cross.
